@GeoConfirmed His exact position in the AQB is unclear to me. Some posts appear to indicate a/the senior commander position:

Another post (on request) identifies him as the missile unit commander of the AQB's Central Camps Brigade.

@GeoConfirmed This is likely the "commander" in the PIJ mentioned by the Israeli military in their statement.

The attack took place approx. 2,88 kilometers west of the formal yellow line ([idf.il/158008/](https://idf.il/158008/))
